Subject: Microsoft Settlement

To Whom It May Concern,

Under the Tunney Act, I wish to comment on the proposed Microsoft settlement. I, as do many others, agree with the problems identified in Dan Kegel's analysis (on the Web at <http://www.kegel.com/remedy/remedy2.html>).

If this settlement is allowed to go through in its present state it will only confirm the fact that Microsoft is able to do as they please and then buy their way out of it after the fact. Please DO NOT allow the travesties committed by Microsoft against not only their competitors but computer users worldwide go unpunished. Something must be done, and it must be done now.

I thank you for taking the time to read my e-mail and I trust you will take it into consideration and do the right thing.
